

SUNNY GROVE PARK

Utility Extension Project

April 2026

Construction Update!

On Tuesday, April 7, the water system will be shut-off for relocation. Once the water system upgrades have been made and the water system is turned back on, you will need to boil your water for 48 hours. We advise that all water used for drinking, cooking, making ice, brushing teeth, or washing dishes be boiled. A rolling boil of one minute is sufficient. The local fire department has been notified.

If you have any questions, please call 239-337-1071 or email info@SunnyGroveUEP.com.
